)	
Filed: September 10, 2003)	
)	
Title: Indicators for Monitoring the Technique)	
of Transcutaneous Immunization)	

Commissioner for Patents
Washington, D.C.

Sir:

DECLARATION UNDER 37 C.F.R. § 1.132

I, Gregory M. Glenn, do hereby make the following declaration:

1. I am an inventor listed on Application No. 10/658,418, and I am an author of the scientific paper "Transcutaneous Immunization with Bacterial ADP-Ribosylating Exotoxins as Antigens and Adjuvants," *Infection and Immunity* 67(3): 1100-1106, published March, 1999.
2. I am familiar with the subject matter contributed by each individual listed as an author of the above referenced *Infection and Immunity* article.
3. Tanya Scharton-Kersten, a co-author of the above referenced paper, was a research associate working under my direction and control.
4. Russell Vassell, a co-author of the above referenced paper, was a research associate working under my direction and control.

5. The authors, other than Dr. Carl Alving and myself, listed on the referenced *Infection and Immunity* journal article, did not contribute to the conception of the invention disclosed and claimed in the instant application.

I further declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

By:

 M. A.
Gregory M. Glenn, M.D.
